1. Resident physicians include those who are presently enrolled in a postgraduate medical education training program in North Carolina.
2. Includes those who are licensed and active within the profession as well as those with unknown activity status; inactives are excluded.
3. Physicians include doctors of medicine and doctors of osteopathy who are non-federal, non-resident in training.
4. Primary care physicians include those physicians who report a primary specialty of family practice, general practice, internal medicine, obstetrics/gynecology, or pediatrics.
5. Federal physicians include those physicians whose primary practice location is the armed services, US Public Health Service, Indian Health Service, and the Department of Veterans Affairs.
