

A photograph of a stone wall with a metal ring and a coiled rope, symbolizing adaptation and future positioning. The wall is made of rough, grey stone blocks. A metal ring is mounted on the wall, and a coiled rope is hanging from it. The rope is light-colored and appears to be made of a synthetic material. The overall tone of the image is dark and moody, with a blueish-grey color cast.

Adapting to the Changing Healthcare Economy: Positioning Our Programs for the Future

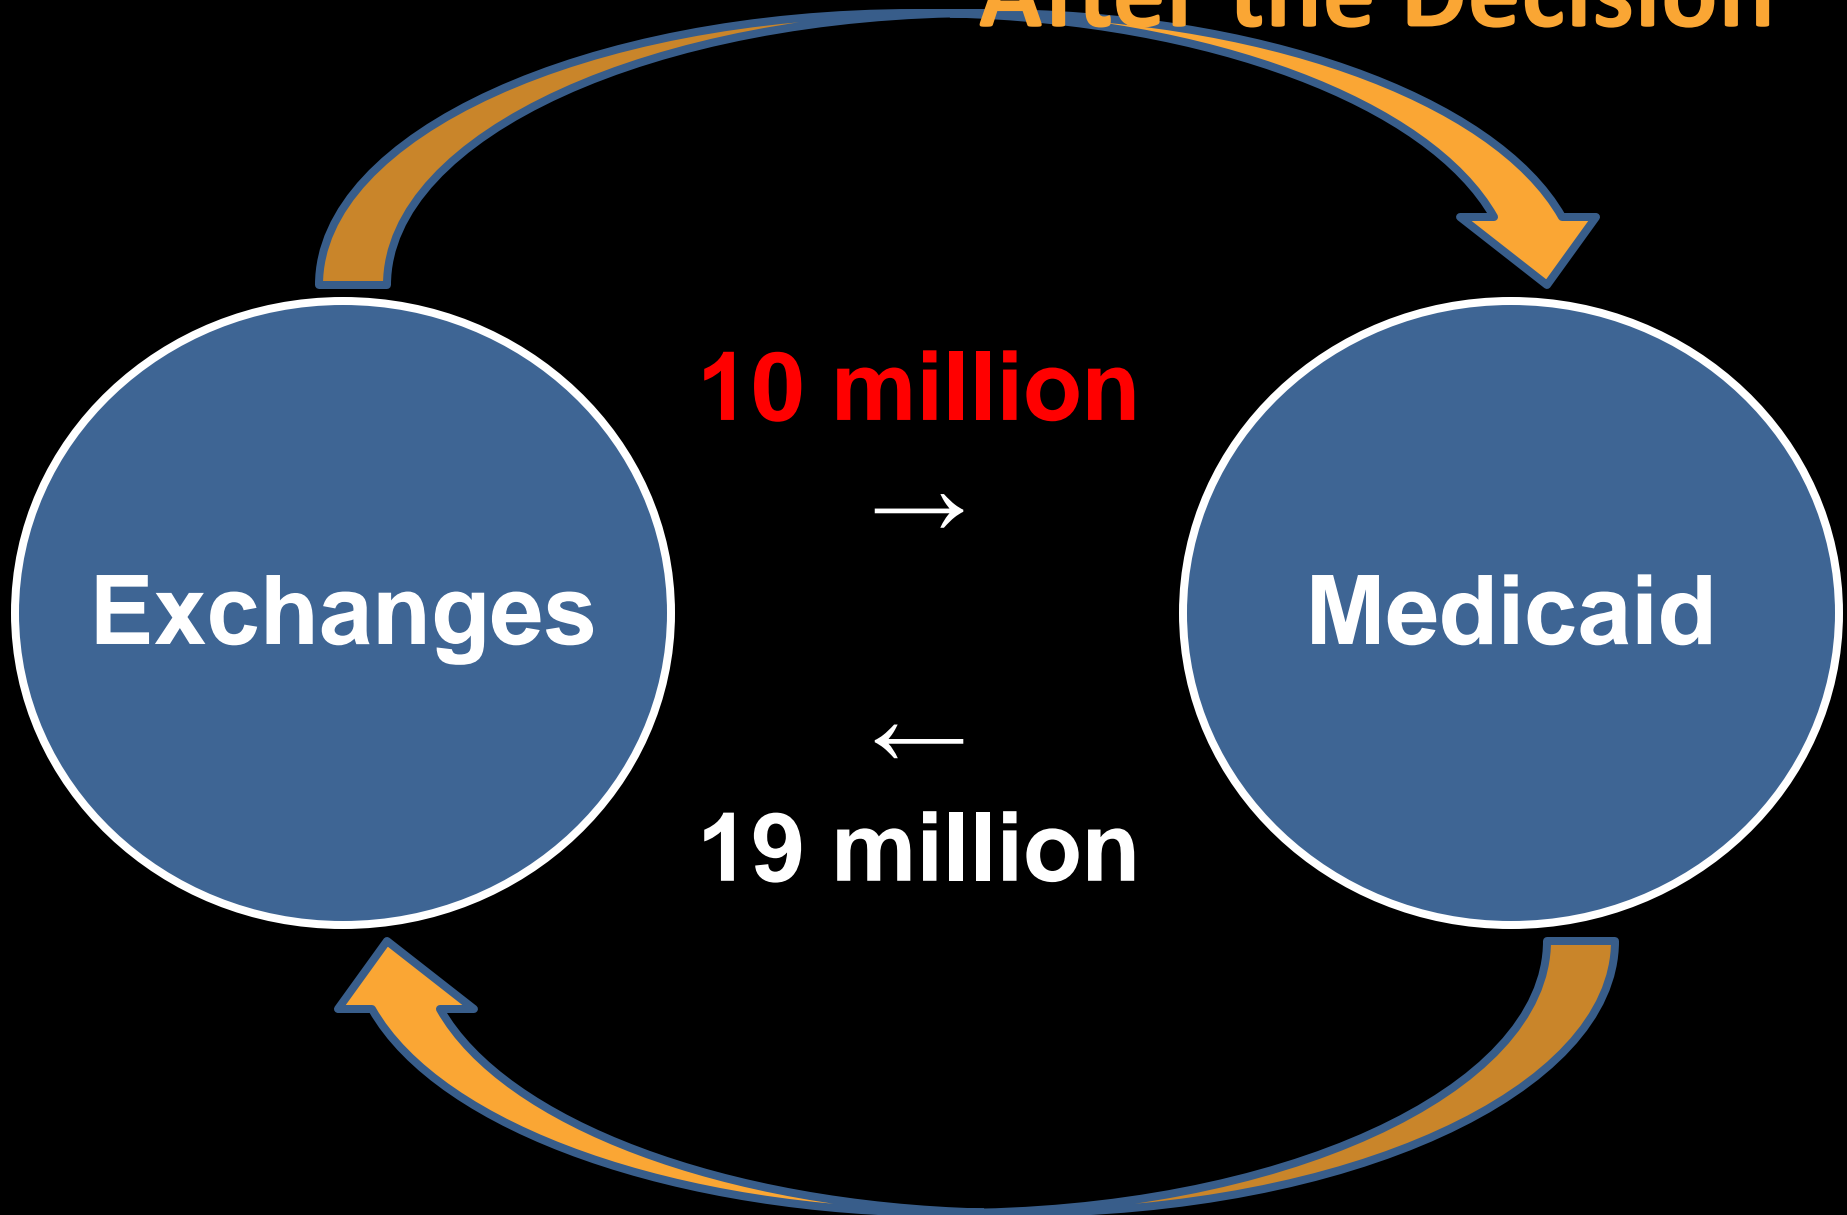

The Supreme Court

Court can rule because
it's *not* a tax!

Individual mandate is
constitutional because it
is a tax!

Medicaid expansion
now optional

After the Decision

Investments and Protections for Family Planning

- Essential community providers
- State family planning option
- Insurance coverage of preventive services
 - Women's health amendment

The ACA: Women's Preventive Services 2.0

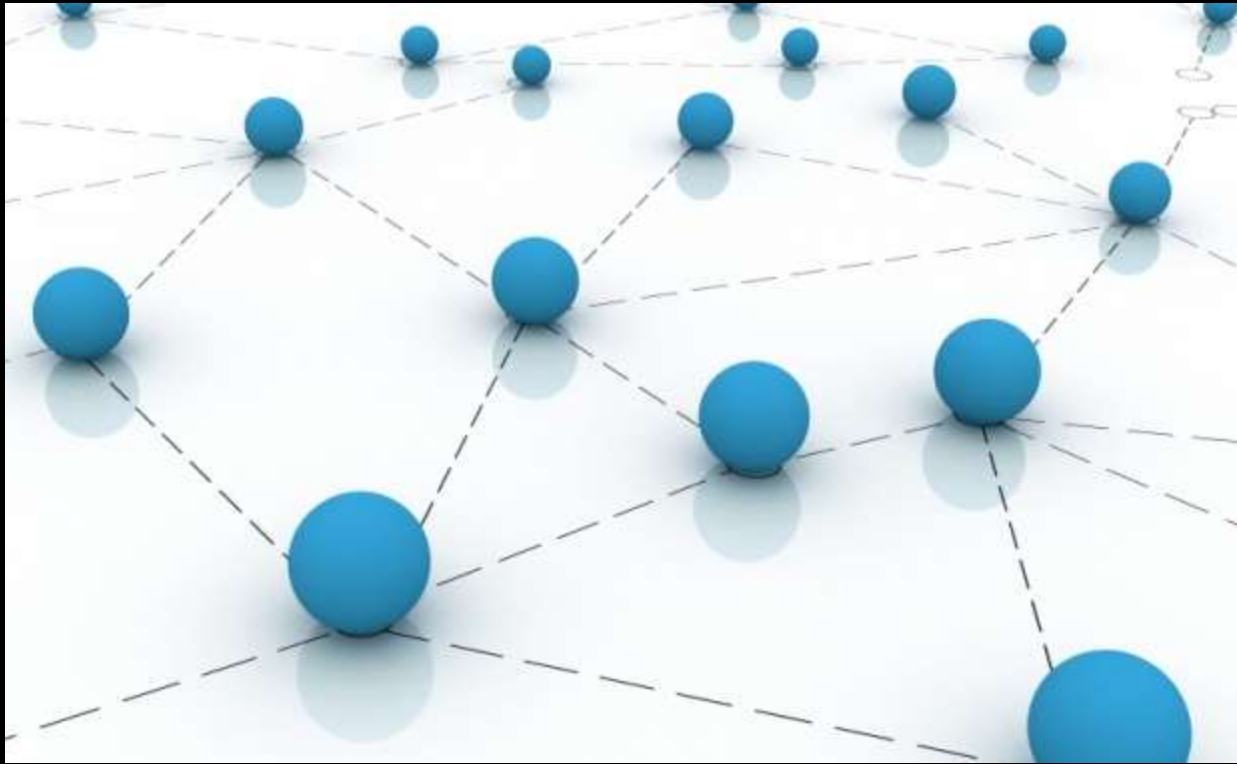

- **Outstanding Questions:**
 - **Medical management techniques?**
 - **Eligible plans?**
 - **Business impact?**

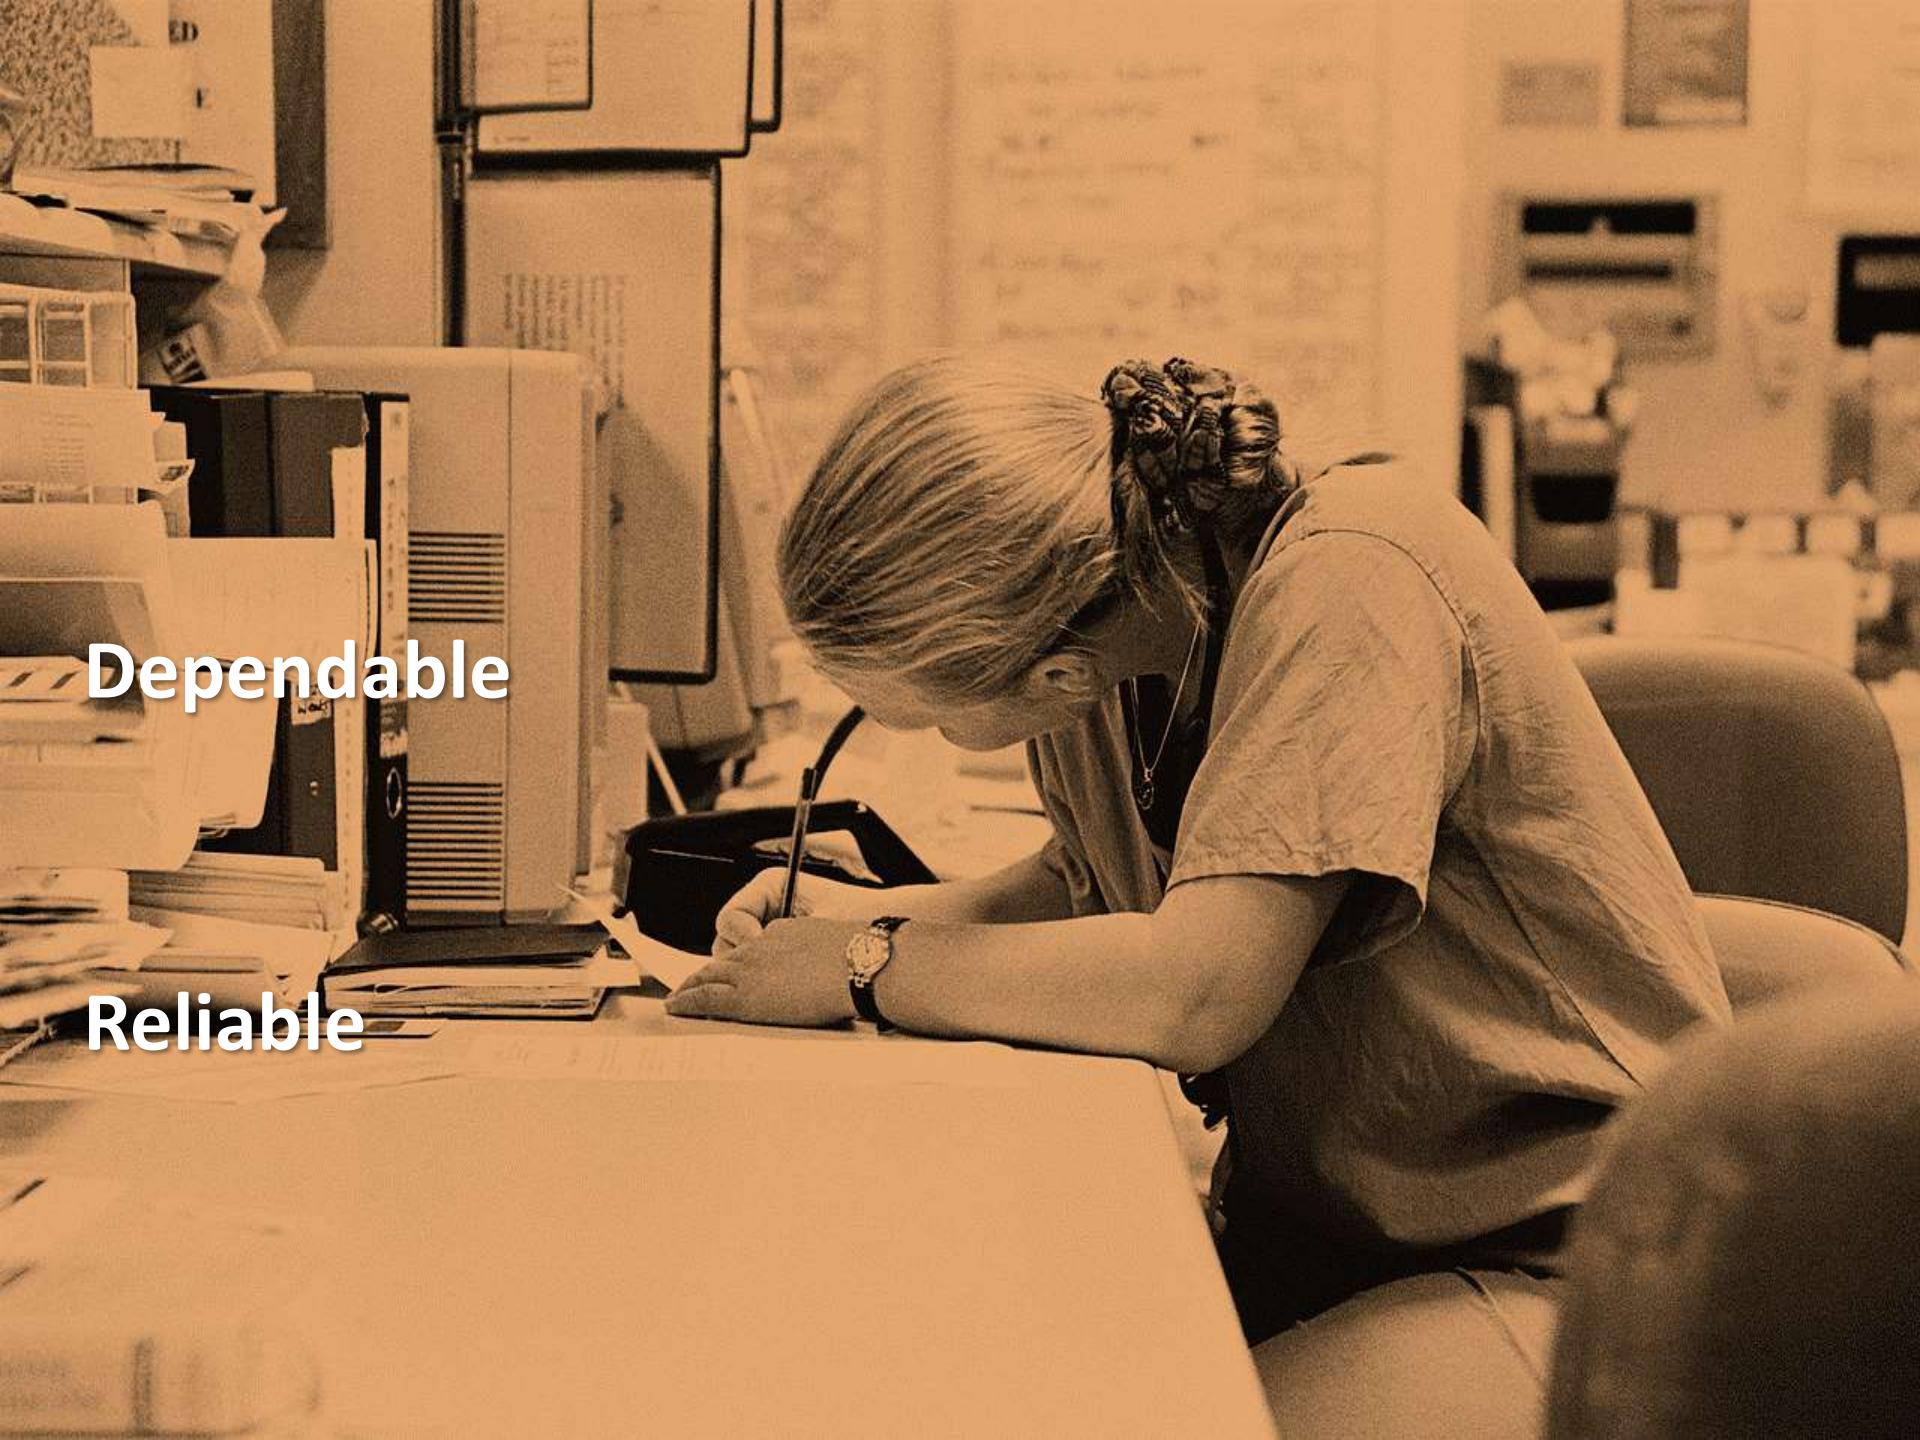

Investments in BIG Systems Change

- **Accountable Care Organizations**
- **Medical Homes**
- **Integrated Care**

Connecting the
dots?

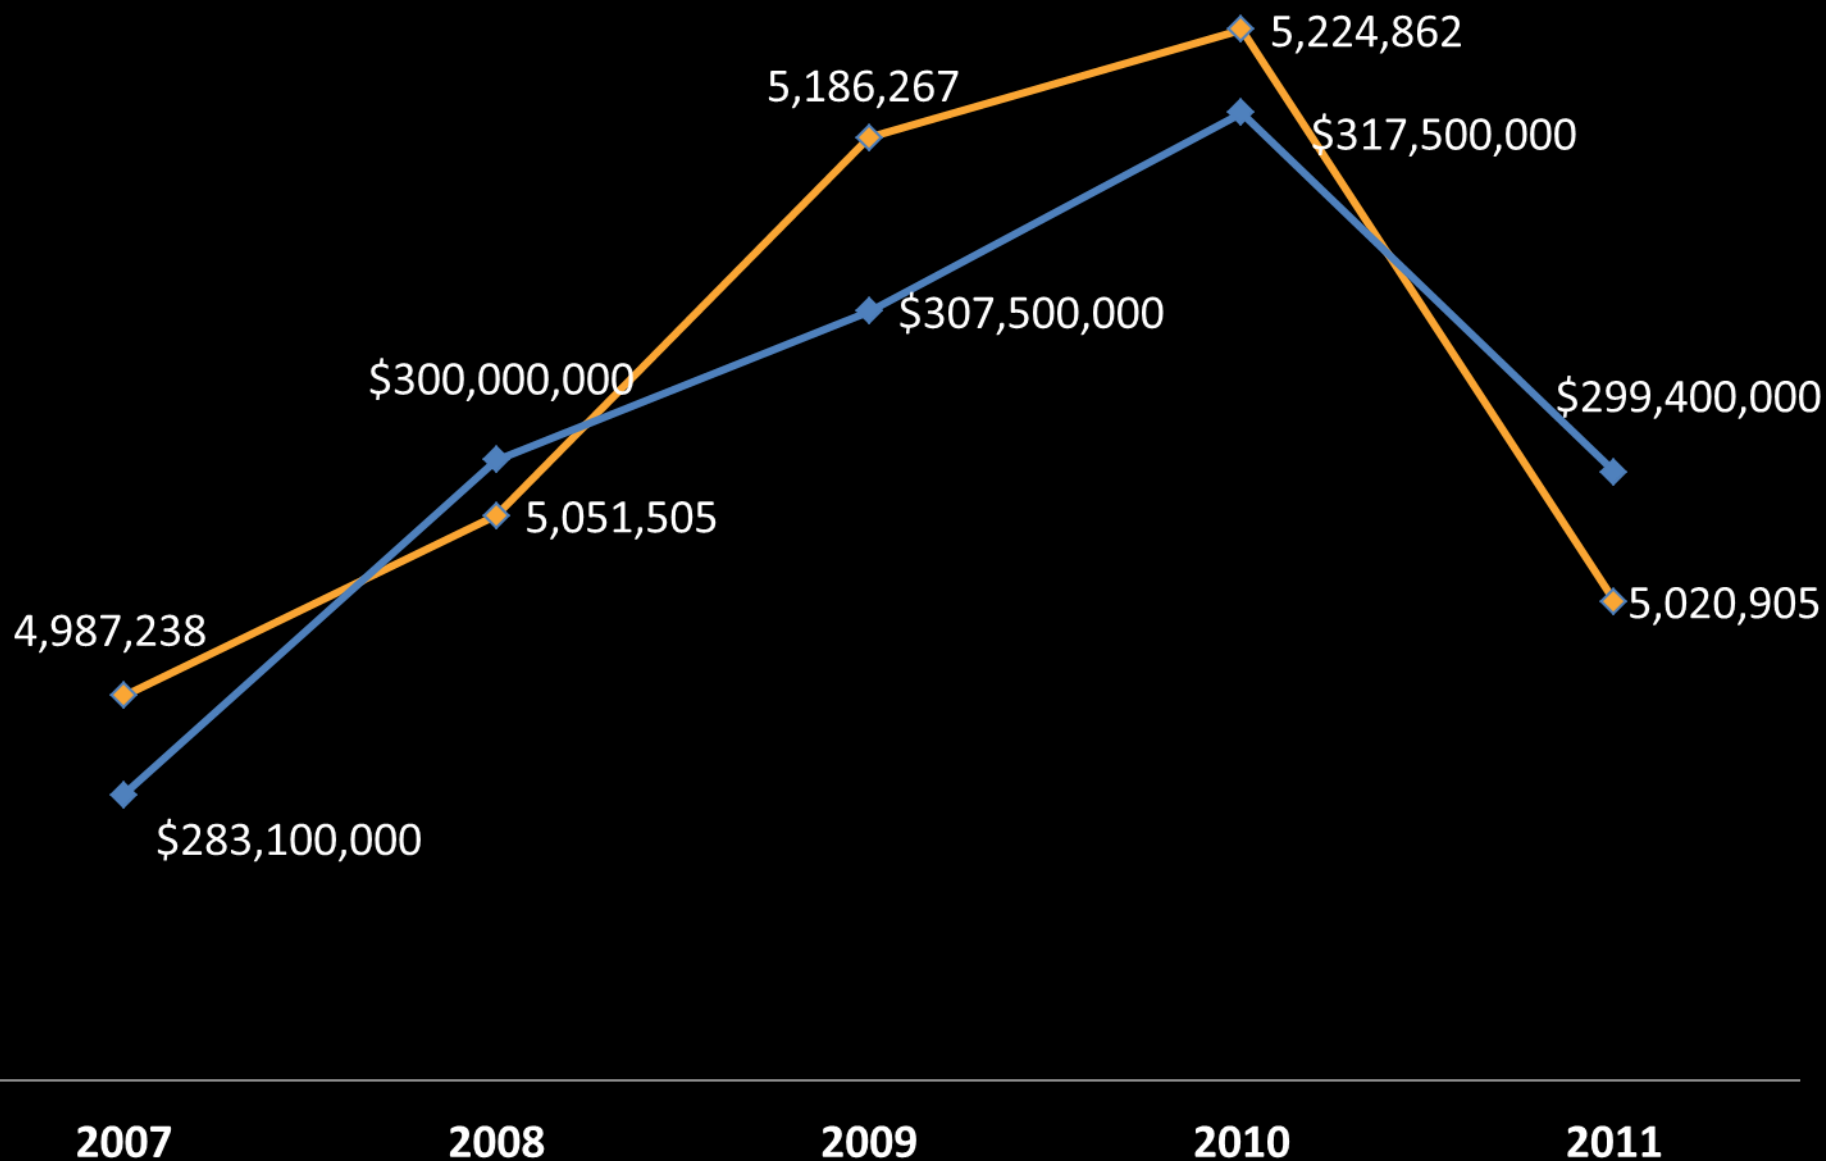

Dependable

Reliable

Title X Funding and Patients, 2007-2011

—◆— Patients

—◆— Funding

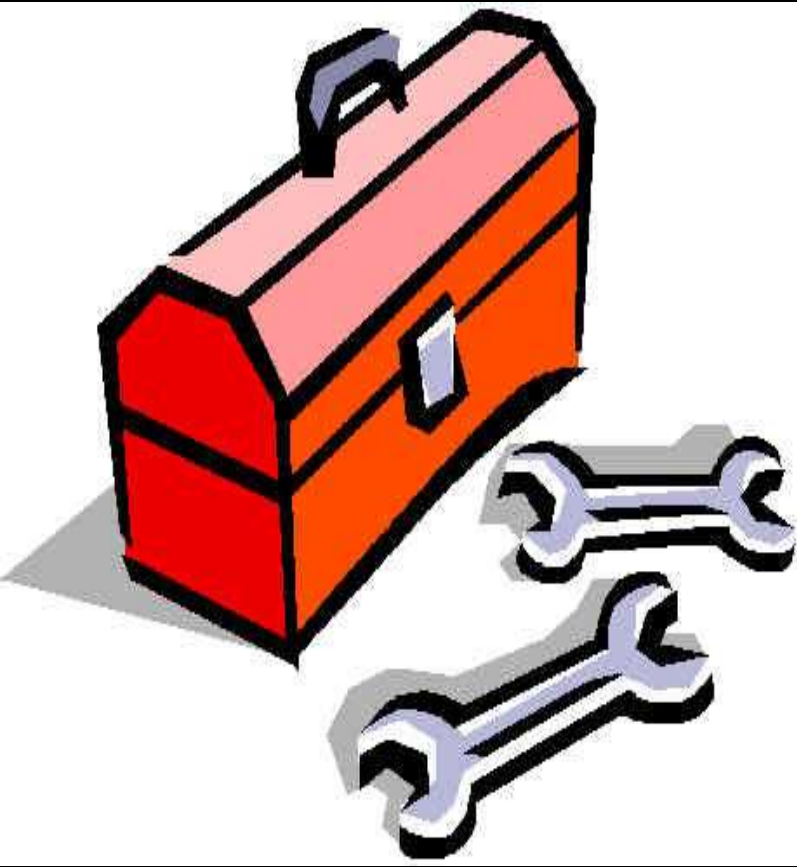

Viability Paths

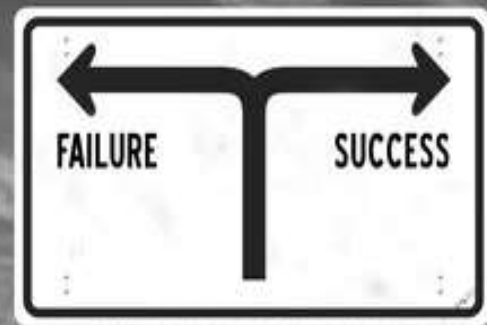

- **Become Primary Care**
- **Partner with Primary Care**
- **Continue as Women's Health with Adjusted Payer Mix**
- **Bundle Family Planning with School-Based Health Center**
- **Bundle Family Planning with Maternal Child Health**
- **Bundle Family Planning with Sensitive Services**

Family Planning: In Your Toolbox

- Patient Need
 - More uninsured
- Patient Familiarity
- Payors of last resort
- Support for community based providers
